Across:

- 1 I am a scientist. I often work in my laboratory at home. I have four children, but my spouse has been missing for a long time.
- 2 I am one of a set of twin boys. I have an older sister and a younger brother. I am a typical kid who makes average grades.
- 4 I am a five-year-old boy. I have two older brothers and an older sister. I am very, very intelligent for my age, but do not like to talk around people outside of my family. I will try my best to use my knowledge to help this mission succeed.
- 5 I am a brain. I control one of the planets that has already lost its battle. My world is full of order

Down:

- 1 I am a woman who has come to Earth on a mission. I am often befuddled and seem a little silly. I was once a star who died in my own battle. I will continue to carry out my mission. I will provide my charges knowledge of their own gifts.
- 3 I am a large black cloud that is taking over the universe. I will use my power to inflict the planets and their citizens with my own warped beliefs and desires. Will bring with me gloom and eventual destruction.
- 8 I am a woman who has come to Earth on a mission. I often speak with great authority. I often take charge of our mission, but am capable of making mistakes. I

and sameness. I will force all of these inhabitants to submit to my ways.

6 I am a planet that already has lost its battle. My inhabitants look like normal people, but are under the control of a brain who forces all of them to succumb to its thoughts.

7 I am on a very classified mission. I have been away from home for a very long time. I am lost and unable to continue. I am in danger of failing my mission.

10 My planet lacks color, because my people and I cannot see. We are dull and gray like our planet. We have tentacles and are covered with the softest gray hair. I will take up the task of ministering to the injured traveler who has appeared on my planet.

11 I am a woman who has come to Earth on a mission. I often speak in quotes from very important individuals. Along with my quotes, I will provide my charges with my glasses to offer help on the mission.

12 I am a planet with amazing Pegasus-like creatures. I have a beautiful landscape. So far, I have been able to keep the danger away from myself. I am the first stop on this important mission.
